COVENANTS BINDING ON PROPERTY, OWNERS, AND ASSOCIATION

2.01 Property Bound. From and after the date of recordation of this Declaration, the Property shall be subject to the Covenants, and the Covenants shall run with, be for the benefit of, bind, and burden the Property.

2.02 Owners Bound. From and after the date of recordation of this Declaration, the Covenants shall be binding upon and inure to the benefit of each Owner and his heirs, executors, administrators, personal representatives, successors, and assigns, whether or not so provided or otherwise mentioned in the Deed. Each Owner, for himself, his heirs, executors, administrators, personal representatives, successors, and assigns, expressly agrees to pay, and to be personally liable for, the assessments provided for hereunder, and to be bound by all of the Covenants herein set forth. Each Owner shall be and remain personally liable, regardless of whether he has transferred title to his Lot, for the amount of assessments (together with interest, costs, and attorneys' fees as provided in Section 3.04) which fell due while he was an Owner. No Owner shall escape personal liability for the assessments herein provided by non-use of Association Land, the Open Areas or the Amenities, or by transfer or abandonment of his Lot.

2.03 Association and Subsidiary Association Bound. Upon the incorporation of the Association or any Subsidiary Association, the Covenants shall be binding upon and shall inure to the benefit of the Association and any such Subsidiary Association.

ARTICLE III

ASSESSMENTS

3.01 Annual Assessments. In order to provide funds for the purposes and uses specified in Article VI hereof, the Board in each year, commencing with the year in which the Association is incorporated, shall assess against the Assessable Property such charges as the Board in its discretion deems appropriate; provided, however, that the first Annual Assessment, commencing in 1981, shall not exceed \$250.00 for each Residential Lot, such amount to be prorated by the Board if the first Assessment Period is less than twelve (12) months.

3.02 Special Assessments. In addition to the Annual Assessments authorized above, the Association may at any time and from time to time levy Special Assessments to meet other needs or requirements of the Association and the properties for which it is responsible, including without limitation, assessments for the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Association Land. The Board shall

establish Special Assessments in the manner provided in the Bylaws of the Association; provided, however, that no Special Assessment shall be levied without the prior approval of at least two-thirds (2/3) of all Voting Owners who are voting in person or by proxy at a meeting duly called for that purpose in accordance with the provisions of the Bylaws.

3.03 The Board shall establish either a calendar or fiscal year (herein called the "Assessment Period") for which the Annual Assessment is to be levied. The Board in its sole discretion may from time to time change the Assessment Period.

3.04 Allocation of Assessments. The Owners of all Assessable Property shall share in the responsibility for payment of the Annual Assessments and the Special Assessments as follows:

(a) All Residential Lots (including all Condominium Units) shall bear the Annual and Special Assessments equally. The proportionate share of Annual and Special Assessments to be borne by any Lot which is not a Residential Lot shall be a percentage which the Board in its discretion shall determine; provided, however, that the ratio of (i) the proportion of such assessments allocated to any such Lot which is not a Residential Lot to (ii) the proportion of such assessments borne by each Residential Lot, shall not exceed the fraction obtained by dividing (x) the number of square feet contained in such Lot which is not a Residential Lot (or if greater, the number of total square feet of enclosed, air conditioned floor space contained in buildings located thereon) by (y) 6,000. For example, if each Residential Lot is required to pay .5% of the total Annual and Special Assessments, then a commercial Lot with 12,000 square feet of land and 5,000 square feet of enclosed, air conditioned floor space could not be required to pay more than 1% of such assessments: .5% times (12,000 divided by 6,000) = 1%. The Annual Assessment for the first Assessment Period applicable to a Lot shall be prorated over the number of months during such Assessment Period that the Lot or Condominium Unit is subject to such assessments.

(b) The Board shall make the calculations required in subparagraph (a) above, and shall prepare and forward to each Owner a statement setting forth the amount of the Annual Assessment or Special Assessment assessed against each Lot, stated in terms of the total sum due and owing, and the amounts payable if paid in installments; provided that the dates of any installment payments shall be set forth, and no installment shall be due less than thirty (30) days from the date of the mailing of such statement.

(c) All delinquent payments of Annual Assessments and Special Assessments shall bear interest at the rate of eighteen percent (18%) per annum from such due date until paid, and the Owner shall be deemed to have agreed in writing to the payment of such interest and all costs, including attorneys' fees which may be incurred by the Association in collecting same.

3.05 Rules Regarding Billing and Collection Procedures. The Association shall have the right to adopt rules and regulations setting forth procedures for the purpose of making the assessments provided herein and for the billing and collection of the Annual and Special Assessments and the Maintenance Charges, provided that said procedures are not inconsistent with the provisions hereof.

ARTICLE IV

IMPOSITION OF LIEN; EXEMPTIONS; OWNERS' AGREEMENT

4.01 Imposition of Assessment Lien and Priority of the Lien. Each Lot shall be charged with and subject to a continuing servitude and lien from the date of recordation of this Declaration for the amount of the Annual and Special Assessments assessed and levied against each such Lot and for Maintenance Charges. The lien (herein called the "Assessment Lien") against each such Lot shall be superior to any and all other charges, liens, or encumbrances which hereafter in any manner may arise or be imposed upon each such Lot, except that such Assessment Lien shall be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior.

4.02 Owners' Promises. Each Owner, for himself, his heirs, executors, administrators, personal representatives, successors, and assigns, covenants and agrees:

(i) That he will pay to the Association when due the Annual and Special Assessments assessed by the Association in each year against his Lot, together with any Maintenance Charges imposed;

(ii) That he acquires his Lot subject to the Annual and Special Assessments and Maintenance Charges; and Assessment Lien; and

(iii) That by accepting a Deed to his Lot, he shall be, and remain, personally liable for any and all Annual and Special Assessments and Maintenance Charges assessed against his Lot while he is (or was) the Owner thereof, regardless of whether such covenants or agreements are expressed in such Deed and regardless of whether he signed the Deed.

ARTICLE V

ENFORCEMENT OF PAYMENT OF ANNUAL AND SPECIAL ASSESSMENTS
AND MAINTENANCE CHARGES AND OF ASSESSMENT LIEN

5.01 Association as Enforcing Body. The Association, as the agent and representative of the Owners, shall have the exclusive right to enforce the provisions of this Declaration. However, if the Association shall fail or refuse to enforce this Declaration for an unreasonable period of time, after written request to do so, then any Owner may enforce them on behalf of the Association by any appropriate action, whether at law or in equity.

5.02 Association's Enforcement Remedies. If the Owner of any Lot fails to pay the Annual or Special Assessments or installments when due, or to pay Maintenance Charges assessed; the Association may enforce the payment of the Annual or Special Assessments, Maintenance Charges, and/or the Assessment Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Association does not prejudice or exercise the other remedy):

(a) Bring an action at law and recover judgment against the Owner personally obligated to pay the Annual or Special Assessments or the Maintenance Charges;

(b) Enforce the Assessment Lien against the Lot by any means available at law or in equity, including without limitation a non-judicial foreclosure sale of the Lot, such sale

to be conducted in the manner set forth in Article 3810 of the Revised Civil Statutes of Texas, as the same may be amended or supplemented from time to time. The Association or any other Owner may be the purchaser at any such foreclosure sale.

5.03 Subordination of the Lien to First Mortgage or Deed of Trust. The Assessment Lien provided for herein shall be subordinate to any first mortgage lien held by, or deed of trust of which the beneficiary is an institutional lender which is chartered (or licensed) by the United States or any state within the United States. Sale or transfer of any Lot shall not affect the Assessment Lien, provided, however, that if the sale or transfer is pursuant to foreclosure of such a mortgage or deed of trust, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot free of the Assessment Lien for all Annual and Special Assessments and Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens, or encumbrances (except liens for taxes or other public charges which by applicable law are expressly made superior), and such mortgage or deed of trust foreclosure sale purchaser or grantee shall take subject to all Annual and Special Assessments, Maintenance Charges, and the Assessment Lien therefor accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

5.04 Costs to be Borne by Owner in connection with Enforcement. In any action taken pursuant to Section 5.02 of this Article, the Owner shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual and Special Assessments and Maintenance Charges together with interest and the Association's costs and attorneys' fees.

ARTICLE VI

USE OF FUNDS; BORROWING POWER

6.01 Purposes For Which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Annual and Special Assessments, fees, loan proceeds, surplus funds, and all funds and property received by it from any other source) for the common good and benefit of the Property, the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision, and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies, and systems, within or without the Property, which may be necessary, desirable, or beneficial to the general common interests of the Property, the Owners, and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote, and provide for such common benefit: landscaping, recreation, communications, education, transportation, health, utilities, public services, culture, and safety. The Association may also expend its funds for any purposes which any municipality may expend its funds under the law of the State of Texas or such municipality's charter, including by way of illustration all purposes (enumerated or implied) for which the City of Houston may expend its funds pursuant to the charter of the City of Houston. Without limiting the foregoing, it is expressly provided that the Association shall have the responsibility for maintaining all of the streets and roads constructed on the Property by Declarant and shown on the Plat, unless such streets have been expressly

dedicated to the public and accepted by the appropriate governmental authority. The record ownership of such streets shall be conveyed by Declarant to the Association as and when they are completed, and the Association shall hold title to same subject to the terms and provisions of this Declaration and any Subsidiary Declaration. Notwithstanding anything to the contrary contained herein, the Association shall include in each Annual Assessment an amount (herein called the "Amenities Fee") which shall be paid by the Association to Declarant no less frequently than each three (3) months, and shall be used by Declarant to defray the cost of maintaining, repairing, and/or replacing the Amenities, or any of them, in such manner as Declarant in its discretion shall determine. The Amenities Fee for the first Assessment Period shall be \$120.00 for each Residential Lot, such amount to be prorated by the Board if the first Assessment Period is less than twelve (12) months. The Amenities Fee shall be increased at the beginning of each Assessment Period by an amount equal to eight percent (8%) times the amount of the Amenities Fee for the immediately preceding Assessment Period; provided, however, Declarant may waive any such increase or any portion of the Amenities Fee with respect to one or more Assessment Periods without waiving its right to demand same for any subsequent Assessment Periods, and the amount of the Amenities Fee for such subsequent Assessment Periods shall be computed as if the maximum amount of the Amenities Fee had been charged for all prior Assessment Periods. In the event the Association fails to timely collect and pay the Amenities Fee to Declarant, Declarant shall have the right to enforce payment of same by proceeding directly against the Association and/or the Owners, or any of them. Declarant shall have a lien, identical to the Assessment Lien in all respects (including without limitation the right of non-judicial foreclosure as set forth in Section 5.02), against each and every Lot and all Association Land, to secure the prompt payment of the Amenities Fee.

6.02 Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as is necessary or appropriate.

6.03 Association's Rights in Spending Funds from Year to Year. The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Annual or Special Assessments, fees, or otherwise), and may carry forward as surplus any balance remaining. Nor shall the Association be obligated to apply any such surpluses to the reduction of the amount of the Annual Assessment in the succeeding year, but may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the effectuation of its purpose.

6.04 Administration of Special Use Fees. The Association is authorized to bill for, sue for, collect, administer, and disperse all Special Use Fees and the payment thereof shall be secured by the Assessment Lien; provided, however, that all Special Use Fees collected shall, if imposed in connection with a particular improvement, be separately accounted for as to each separate improvement to which they pertain and shall be expended on the particular improvement to which they pertain.

ARTICLE VII

RIGHTS AND POWERS

7.01 Association's Rights and Powers as Set Forth in Articles and Bylaws. In addition to the rights and powers of the Association set forth in this Declaration, the Association shall have such rights and powers as are set forth in its Articles of

Incorporation (as amended from time to time) and its Bylaws. Such rights and powers, subject to the approval thereof by any agencies or institutions deemed necessary by Declarant, may encompass any and all things which a natural person could do or which now or hereafter may be authorized by law, provided such Articles and Bylaws are not inconsistent with the provisions of this Declaration and are necessary, desirable, or convenient for effectuating the purposes set forth in this Declaration. After incorporation of the Association, a copy of the Articles and Bylaws of the Association shall be available for inspection at the office of the Association during reasonable business hours. Copies of said Articles and Bylaws may be purchased for such reasonable fees as may be prescribed by the Association.

7.02 Association's Right of Enforcement. The Association, as the agent and representative of the Owners, shall have the right to enforce the Covenants set forth in this Declaration and/or any and all covenants, restrictions, reservations, charges, servitudes, assessments, conditions, liens, or easements provided for in any contract, deed, declaration, or other instrument affecting all or any part or parts of the Property. Any such instrument shall have been executed pursuant to, or subject to, the provisions of this Declaration, or otherwise shall indicate that the provisions of such instrument were intended to be enforced by the Association, by Declarant, or by any Subsidiary Association; provided, however, that any such instrument that is recorded subsequent to recordation of this Declaration shall at all times be subordinate and inferior to this Declaration whether or not so provided in such instrument.

7.03 Contracts with Owners for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant, its subsidiaries, and affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one or more directors of the Association is employed by or otherwise connected with Declarant, its subsidiaries and affiliates, provided that the fact of such interest shall be disclosed or known to the other directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable; and any such director may be counted in determining the existence of a quorum at that meeting of the Board which shall authorize any such contract or transaction and may vote thereat to authorize any such contract or transaction with like force and effect as if he were not so interested.

7.04 Mergers, Consolidations, and Federations. The Association shall have the right and power to participate in mergers, consolidations, and federations with any other non-profit corporations or associations regardless of whether the objects, purposes, rights, and powers of such non-profit corporations or associations are less than, the same as, or greater than those of the Association. Any proposed merger, consolidation, or federation shall not be effective or voted upon by the Owners without prior approval of the Board of the Association. Any such mergers, consolidations, or federations shall be consummated only upon an affirmative vote of two-thirds (2/3) of the votes cast by the Voting Owners at an election held for such purpose in the manner provided in Section 13.03. Upon any such merger or consolidation, all of the properties, rights, and obligations of the other non-profit corporation or association shall be transferred to and assumed by the Association as the survivor, or alternatively, all the properties, rights, and obligations of the Association shall be transferred to and assumed by the surviving or newly created non-profit corporation or association.

ARTICLE VIII

MEMBERSHIP

8.01 Membership in the Association. Immediately upon the organization of the Association, each and every Owner, by virtue of being an Owner, automatically shall be a Member of the Association, and shall thereafter remain such for as long as such ownership continues. Such membership shall be appurtenant to and pass with the title of any Lot and may not be in any manner alienated or encumbered except as an appurtenance thereto as part and parcel thereof; provided, however, that no such change of ownership shall be effective for voting purposes, unless and until the Association is given actual notice and is provided satisfactory proof thereof. When more than one person holds an interest in any Lot, all such persons shall be Members.

8.02 Voting Rights. Voting rights, which shall be exercisable only at such time and in such manner as shall be provided in the Articles, shall be vested in all members who are Owners of Assessable Property. The Voting Owners, initially, shall comprise two classes:

Class A: The Class A Voting Owners shall, initially, include all such Owners, except Declarant; and each such Voting Owner shall be entitled to one vote for each Lot owned; provided, however, that there shall not be more than one Voting Owner on account of ownership in any single Lot. If the Voting Owner consists of more than one person, such persons shall decide who among themselves shall cast the vote.

Class B: The only Class B Voting Owner shall be the Declarant, who shall be entitled to five (5) votes for each Lot owned by Declarant. Declarant's Class B voting rights shall cease and be converted to Class A voting rights upon the first to occur of the following:

(a) When the number of Dwelling Units constructed upon portions of the Property not owned by Declarant exceeds the number of Class B votes to which Declarant is entitled; or

(b) On December 31, 1996.

From that date forward, unless and until the Class B Membership is reinstated, Declarant shall be entitled, as in the case of other Voting Owners, to only one vote for each Lot owned. Nothing contained herein shall preclude Declarant from constructing Condominium Units or other Permanent Improvements, or adding land pursuant to the provisions of Article XV, for the purpose of maintaining or reinstating the Class B Membership, and all Condominium Units, other Permanent Improvements and land so constructed or added shall be included in the determination of the existence and voting rights of the Class B Membership. The Class B Membership may be reinstated by the addition of such property.

8.03 Board of Directors. The Articles of Incorporation of the Association basically will provide that the Board, which shall have the exclusive right of determining and transacting the affairs of the Association, initially will consist of three (3) directors, each of whom, and each of whose replacement, shall be an employee, representative, or designee of Declarant, and who shall be elected and subject to removal by Declarant only. The directors of the Association may also serve as directors of one or more Subsidiary Associations.

ARTICLE IX

EASEMENTS AND RIGHTS OF ENJOYMENT IN
ASSOCIATION LANDS; RESERVATIONS OF DECLARANT

9.01 Owners' Easements and Rights of Enjoyment in Association Lands. Subject to the controls and limitations set forth in this Declaration, every Owner, by reason of such ownership, and his family members, licensees and invitees, shall have a right and easement of enjoyment in and to all Association Lands, and such easement shall be appurtenant to and shall pass with the title to every Lot upon transfer. All residents shall have a non-transferable privilege to use and enjoy all Association Lands for as long as they remain residents.

9.02 Rules Regulating Use of Association Lands. All rights, easements, and privileges granted and conferred under Section 9.01 shall be subject to the exclusive right of the Association to adopt from time to time reasonable rules and regulations pertaining to the use of Association Lands. Said rules and regulations shall be such that they serve to promote the best interests of the Owners with respect to the preservation of the Association Lands or the safety and convenience of the users thereof.

9.03 Fees Chargeable to Certain Classes of Users of Association Lands. All rights, easements, and privileges granted and conferred under Section 9.01 further shall be subject to the exclusive right of the Association to charge Owners and others initiation, admission, and other fees in connection with the use of any or all of the Association Lands. In establishing or adjusting the amounts of such fees from time to time, the Board in its absolute discretion may establish reasonable classifications as or among Owners and other persons. Such fees must be uniform within each such class but need not be uniform from class to class.

9.04 Suspension of Rights of Enjoyment in Connection with Enforcement of the Covenants. The Association shall have the right to suspend the aforesaid rights of enjoyment of any Owner (and the privilege of other persons claiming through such Owner) for (a) any period during which the Annual and Special Assessments or Maintenance Charges assessed to such Owner under Article III hereof remain delinquent and unpaid, or (b) any reasonable period up to but not in excess of ninety (90) days in connection with the enforcement of any of the Association's rules or regulations relating to Association Lands.

9.05 Reservations of Declarant. The following reservations are hereby made by Declarant:

(a) The utility easements shown on the Plat are dedicated with the reservation that such utility easements are for the use and benefit of any public utility operating in Montgomery County, Texas, as well as for the benefit of Declarant to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, television cable lines, gas, water, sanitary sewers, storm sewers and any other utility or service which Declarant may find necessary or proper.

(b) Declarant reserves the right from time to time to make changes in the location, shape, and size of, and additions to, the easements described in paragraph 9.05(a) for the purpose of more efficiently or desirably installing utilities therein and thereon.

(c) The title conveyed to any of the Property shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewer or sanitary sewer lines, poles, pipes, conduits or other appurtenances or facilities constructed by Declarant or public utility companies upon, under, along, across or through such utility easements; and the right (but no obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to Declarant, its successors and assigns.

(d) The right to sell or lease the lines, utilities, appurtenances and other facilities described in paragraph 9.05(c) to any municipality, governmental agency (including any water control or utility district created under Article XVI, Section 59 of the Texas Constitution covering the Property as well as other lands), public service corporation or other party is hereby expressly reserved to Declarant.

(e) Neither Declarant nor its successors or assigns shall be liable for any damage done by any of such parties or any of their agents or employees to shrubbery, trees, flowers or other property of a Owner situated on the Lots covered by the above described utility easements.

(f) The right to enter upon any Lot or Lots during installation of streets for the purpose of performing street excavation, construction, and paving is hereby reserved to Declarant, its successors and assigns, and neither Declarant, nor its successors or assigns shall be liable for any damage done by any such parties or any of their agents or employees to shrubbery, trees, flowers or other property of the Owner which is necessitated by such street construction.

ARTICLE X

ARCHITECTURAL CONTROL

No building, fence, wall, sign, exterior light, or other structure or apparatus, either permanent or temporary, shall be commenced, erected, placed, or maintained upon the Property (or any Lot constituting a part thereof), nor shall any exterior addition thereto, change therein or alteration, excavation, subdivision, or resubdivision thereof, including without limitation changes in or alteration of grade, landscaping, roadways, and walkways, be made until the plans and specifications showing the nature, kind, shape, height, materials, color, location, and other material attributes of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by Declarant or by an architectural committee composed of three (3) or more representatives appointed by Declarant. In the event Declarant, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required, and this Article X will be deemed to have been fully complied with.

ARTICLE XI

MAINTENANCE

11.01 Association Lands. The Association, or its duly delegated representative, shall maintain and otherwise manage all Association Land, including, but not limited to, the landscaping, walkways, riding paths, parking areas, drives, streets, and

recreational facilities, roofs, interiors and exteriors of the buildings and structures located upon said properties. The Board shall use a reasonable standard of care in providing for the repair, management, and maintenance of said property. The affirmative votes required under Section 13.01 or 13.02 may be obtained and evidenced either by a written consent to any such amendment or termination, as the case may be, signed by the requisite percentage of Owners (which such consent shall be in recordable form and presented to the Board) or by the requisite vote by the Owners at a meeting of Owners duly called by at least ten (10) Owners or by the Board pursuant to notice in writing mailed to all of the Owners at their last known addresses on or prior to ten (10) days before the date of the meeting at which meeting the requisite percentage of Owners, in person or by proxy, vote to so amend or terminate this Declaration (and the Covenants herein). The notice of the meeting must set forth the proposal as to amendment or termination of this Declaration (and/or the Covenants therein) and the affirmative vote of the requisite percentage of Owners must be evidenced by minutes of the meeting duly certified by the Owners who called the meeting or the Board. Recordation of such a Certificate shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such Certificate, when recorded, shall be binding upon the Property and all persons having an interest in the Property.
