

Del Lago HOA May 2021 Newsletter

Hello Residents,

Garage Sale

We have scheduled the neighborhood Garage for May 15th and 16th. This year we scheduled it on the same day as Walden's in hopes that it will bring more opportunities for our residents to have more shoppers. Signs will be placed at the front entrance and notice has been posted on several of the areas Facebook pages.

Streets and Plants

The bids are in for the street repairs and will be discussed at the next Board Meeting. The board Meeting is scheduled for May 13, 2021. Megan will have the information posted on the Del-Lago Owners Association website. This will be a virtual meeting, a phone number will be emailed out to all registered emails 72 hours prior to the meeting.

Most of the planters are beginning to recover but, we still have a lot of work to do to them. The Board appreciates your patience with this process.

Architectural Control Committee:

The ACC remains busy and committed to you as a homeowner. They are working diligently on all of your requests. The improvements to everyone's property looks amazing. The ACC would like to say Thank You for your commitment to keeping your property at its best. If you are new to our community, you can find the ACC Applications on the website and they can be downloaded at: www.dellagooa.net.

Security Patrols:

Our Security Coordinator, Marshal Williams has retired after a great law enforcement career. He will be missed as I have personally known him for close to 30 years. Rick Garlock will be taking over as the coordinator for our neighborhood security. He has a lot of experience and I have the utmost confidence that he will have our best interest at heart. The deputies you are used to seeing will remain on patrol in our community.

Other Business:

I was notified that there was a discussion on Next Door - Del Lago in reference to the Street Sweeper. I want to thank everyone for the nice comments. Justin has done a remarkable job making our streets look their best. I would like to ask all residents not to blow their grass clippings into the street or down the Storm Sewer Drains. The grass clippings and leaves clog the drains and will cause unnecessary maintenance costs to the HOA.

Speeders:

The increased traffic on Margaritaville Parkway has increased, we are working with Margaritaville resort for a solution to keep everyone safe.

Resort

Margaritaville is currently hiring for the upcoming season. If interested check their website for details. www.margaritavilleresorts.com

Thank you for making Del-Lago a great community for our families!

Until next time,

Edd West

Del Lago Owners Association Board- President
