OWNER CERTIFIES THAT

I understand that in the accordance with the governing documents of this community that the review process may take up to 30 days from the date the application is received into Committee review, and that I am not to begin any work prior to receiving written authorization from the Association. If all requested information and deposits are not received for this application the Committee will not review the application. I further understand that if I make any alterations to the plans after the initial application has been submitted, I will have to re-submit those changes for prior approval. By signing I certify this information is accurate and complete and that all improvements will be completed as approved and all work completed 120 days from the approval date. Agents or employees of the community association and inspection service employees have my permission to enter the property during normal business hours to inspect the improvements.

HOLD HARMLESS

Owner understands that the community association does not review plans for compliance with applicable laws or codes, and that it is the duty of the owner, agent of the owner, and the owner's contractors or consultants to design and construct the proposed improvements according to applicable laws, codes and sound practices. Owner hereby releases and agrees to hold The Del Lago Board of Directors, The Del Lago Owners Association, The Del Lago Architectural Control Committee and their agents and employees harmless from any cost or liability arising out of the review or approval of plans for the proposed improvements.

I understand that tree removal is not to begin until approval has been received from the ACC.

Owner Signature Required / Date

Contractor Signature (optional) / Date

NOTE: Tree Removal must be completed within 120 days of Project Approval Date.

Permit will expire at end of 120 days. Project will be closed, and owner must resubmit Application for review along with all supporting documentation. [Documents previously submitted will not be considered as part of any new Application, and neither the ACC nor the Mgt Co. assumes responsibility of combining documents from closed Application filings with new Application filings to complete information requirements.] Review will be conducted in accordance with the Deed Restrictions, ACC Standards and ACC Policies that are current at the date an application is received into Committee review. Owner may be subject to additional assessment, deposits and fees if owner proceeds with project without valid Permit, or if project exceeds 120-day period.

NOTE: Noncompliance of any owner from the Deed Restrictions and ACC Standards & Policies, including the requirement for ACC pre-approval for a project, does not affect any other Owner's obligation to comply with such. A project that has not complied with the ACC approval process is not considered approved, despite the timeframe from the project's completion. An owner may be required to remove or change the project – regardless of when the Association becomes aware of the noncompliance.

Del Lago Improvement Construction Rules and Guidelines

1. One Contractor Business Sign, in compliance with the Del Lago Sign Policy is allowed. Sub-contractor signs will be removed without notice. Contractor sign may not be displayed before job begins on site and sign must be removed the same day job is finished.
2. No owner or contractor may enter onto a lot adjacent to the Improvement site for purposes of ingress and egress during or after construction unless the same owner also owns adjacent lot. All lots adjacent to the improvement site shall be kept free of any trees, underbrush, trash or other building materials during construction.
3. All tree stumps, trees, limbs, underbrush and any other debris, removed from the lot for construction must be removed and hauled out of the subdivision. Burning is not allowed in the subdivision.
4. No trash, materials or excess dirt is allowed in the street. Any such trash, materials or excess dirt or fill inadvertently spilling or getting into the street shall be removed, without delay, on a daily basis. Storm drains are not to be used for disposal of these materials.
5. Debris must be removed as needed to keep the property neat and sanitary.
6. Concrete truck 'wash out' shall be contained on building site.
7. Building materials shall not be delivered until necessary - and within the hours allowed for construction.
8. All vehicles belonging to work crew will be parked on the same side of the street. No vehicle will block a driveway, view of oncoming traffic or be parked on a neighbor's driveway without obtaining permission of the property owner prior to construction. Consideration must be given for emergency vehicle access, normal traffic flow and access to adjacent driveways.
9. No construction will begin before 7:00 a.m. or continue after 6:30 p.m., Monday thru Saturday, or begin before 12 noon or continue after 5:00 p.m. on Sunday. All work crew are to leave the subdivision promptly at the end of their work day. [Work crew should not use golf course or resort property, or remain in the subdivision or return after work to fish, swim, etc in Lake Conroe.]
10. Radios and other devices broadcasting music are not allowed.
11. Property owners are responsible for removing or leveling all excess dirt left on the property after construction is completed. The property owner shall also be responsible for repairing any damage to streets, driveways and curbs caused during the course of construction.
12. Certain Improvements, because of size and location considerations, must be in compliance with the Rules for New Construction for Del Lago.
13. Failure to comply with these rules may result in an assessment applied daily until infraction is corrected.
